

EPC-201

FOUNDATION COURSE

EPC Contract Risk Fundamentals for Energy Projects

Understand the commercial risk structure of engineering, procurement and construction contracts. This foundation course explains how scope, interfaces, programme, payment, variations, performance obligations and security provisions allocate risk in EPC projects. It is designed for professionals who work alongside contracts specialists but need to recognise issues early.

LEVEL Foundation	FORMAT Live online	GUIDED LEARNING 5-5.5 guided hours	STANDARD FEE £545 + VAT where applicable
FOUNDING FEE £445 + VAT where applicable	ASSESSMENT 80% pass + practical task	CERTIFICATE Uniquely numbered Foundation Certificate	CORPORATE DELIVERY From £4,000

Learning outcomes

- Explain the basic EPC delivery model
- Identify scope, interface and responsibility risks
- Recognise delay, variation and payment issues
- Understand performance security and acceptance concepts
- Use a responsibility matrix to expose gaps
- Escalate contractual concerns appropriately

Course modules

- 1 EPC structure and risk allocation
- 2 Scope, interfaces and responsibility matrices
- 3 Programme, delay, variation and payment
- 4 Testing, acceptance and performance security
- 5 Practical workshop: EPC risk review

PRACTICAL OUTPUT

EPC Contract Risk Checklist

WHO SHOULD ATTEND

Project managers and engineers; Commercial and procurement coordinators; Developers and project owners; EPC and subcontractor personnel; Suppliers supporting major energy projects.

PREREQUISITES

No legal qualification is required. The course provides commercial awareness and does not replace legal advice.

ASSESSMENT

Knowledge assessment plus the practical output. Learners must achieve the 80% pass standard and meet attendance requirements. One free resit is included.

COURSE SCOPE

This is a foundation programme. It develops awareness, structured review skills and practical readiness. It does not certify technical competence, regulatory compliance, legal sufficiency or professional authorisation.
